July 2010

Clayton Allan, my representative at CBSS, is a great resource in providing me with options for purchasing names for a variety of campaigns. The results are timely and the data is clean. Juggling a very busy admissions office, I can rely on CBSS and Clayton to meet my needs within 2-3 days if need be for purchased lists. It has been a helpful medium for my recruitment strategies.

A handwritten signature in black ink, appearing to read "Miss" followed by a stylized, cursive flourish.
