Dear Vince,

Thank you for your help and guidance as I ventured into the world of higher education marketing. The lists that I purchased through CBSS have been highly productive in lead generation and we are excited to be continuing our relationship with your company.

I can only speak highly of the service we have received from you and your staff. I look forward to continued cooperation between CBSS and Milwaukee School of Engineering.

Thank you for helping us to be successful in reaching our student audience.

Best Regards,
