Dear Lucretia,

I would like to take this opportunity to tell you how much I appreciate your time and effort for PrattMWP over this past year. Your enthusiasm for what you do really makes the process much more enjoyable on my end! You never hesitate to work with me no matter what my needs and demands are. I especially appreciate this when I make last minute requests and changes. The time that you have put into our account has contributed to a higher quality inquiry pool and therefore a more successful group of students in our program. Thanks again Lucretia for all of your effort!

Happy holidays to you and your colleagues at CBSS.

Regards,

Jill Heintz
